

DIRECTIONS TO B&B LA ESTANCIA FROM COSTA RICA AND ALL WESTERN INTERIOR PROVINCES:

A. Via Centenario Bridge (Puente de Centenario)

1. Take the first off-ramp immediately after you cross the bridge, follow the sign that says "Paraiso".
2. After about 10-15 minutes, you will come to the Pedro Miguel Locks on your right, and then a little further you will pass the Miraflores Locks entrance.
3. Continue straight until you come to a traffic light where you will see a Shell Gas station and then an El Rey Supermarket on the left.
4. Continue straight through this traffic light and you will pass the Albrook domestic airport on your left. Then, the 2 lanes you are on will join with three lanes on the left coming off a large traffic circle. Stay in your two lanes and carefully—watch the merging traffic and especially the buses!—move into the left one. Your 2 lanes will almost immediately turn right at the bridge—the lanes on your left go under the bridge. After the turn, the left lane turns into a left turn pocket. (There is a McDonald's restaurant on the right of the intersection.) Wait for the green arrow, then turn left and circle up the hill. (Skip to instruction B7.)

B. Via Bridge of the Americas (Puente de las Americas)

1. Once you cross the Bridge of The Americas, take the first off- ramp and keep bearing right almost 180°s, until you come to a stop sign.
2. Turn right on that road and go under the Bridge of the Americas, then continue on until you come to a large intersection with traffic lights and the YMCA building on your right. Turn left at this light and you will come to another traffic light next to an HSBC bank (let's call this intersection A)
3. After you drive through intersection A, you will immediately come to yet another set of traffic lights (let's call this intersection B).
4. Continue straight through intersection B, passing the Balboa Theater on the left, until you come to the next intersection, with yet more traffic lights (there is a Banco National on this corner).
5. Turn right at this point, and remain in the right lane until you come to the intersection with the McDonald's restaurant on the left.
6. At this intersection, move into the right lane and turn right up the hill.
7. As you go up the hill, take the first right turn that will loop you around so that you are now driving straight at a large building, the Canal Administration Building.
8. Turn left in front of the building and follow the road up and then to the left. (You are on Calle Gorgas, and you will pass your first ANCON sign).
9. After a long curve past large homes, turn right at the next ANCON Sign.

10. You will come to a Guard House approximately 50 meters after you turn (you do not need to stop for the guard, unless he stops you), but there is a very bad speed bump!
11. Immediately after the guard house, turn left up the hill and follow the road to a T-junction, then turn right. Go straight 100 meters, and we are the orange building on the right: #35.

You are at B&B La Estancia! Welcome and congratulations!

Please Note: You can park in any of the 6 parking spaces underneath the building, but in the spaces next to the orange utility doors please take care not to park too close. We are in and out of these doors constantly and, if you are too close, there is the danger of your car or our door getting scratched. Thank you!
